

Berri Golf Club Inc.

LOCAL RULES

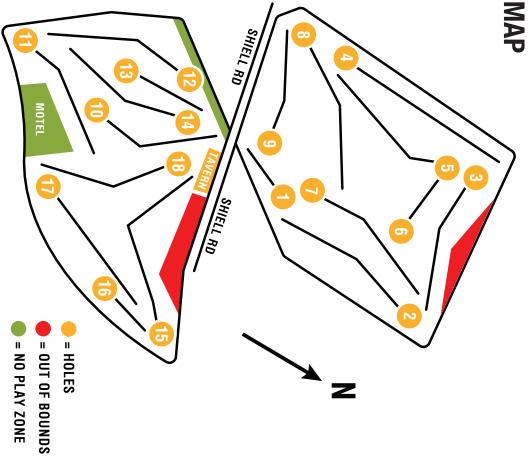

See notice board for any temporary local rules.

Under Rule 16.1a Relief may be taken from the following:

- If the obstruction (fairway advertising sign, 2nd tee fanning, 6th tee shed and toilet) is within 5 Club lengths of the ball, and is located in a straight line between the ball and the hole, then relief can be taken by moving the ball sideways, keeping the same distance from the hole so that the obstruction is no longer between the players ball and the hole.
- **Sprinkler head within 2m** of the edge of the green of the hole being played intervenes on the line of play.
- **No Play Areas:** Free relief **MUST** be taken from staked trees and the driveway and carpark behind the 12th to 14th greens and motel grounds as defined by green triangles on trees;
- **A ball striking the overhead power lines** crossing the 4th hole **MUST** be replayed, without penalty.
- **Practice on the course:** chipping is allowed between the 10th tee and practice putting green. The driving range adjacent to the Old Sturt Hwy is a designated practice area but is not OOB.
